School News

It is the end of another year!

Well this school year is almost finished now with just 9 more school days remaining. It has been a successful and eventful year. Here are just some of the many things we are proud of over the past 12 months:

- ⇒ Attendance is now at 96.2%, so this is in line with the national figures - **well done!**
- ⇒ The school football team won their league – **Champions!**
- ⇒ Our KS2 results have continued to increase and are now the highest they have been over the last 4 years – **a great achievement!**
- ⇒ We will have reached our target to **sponsor** a guide dog for the blind through all of our fundraising – **thank you to the team effort in achieving this!**

I would like to take this chance to thank all of you as parents/ guardians for your support too. We have been very lucky to have some super parent helpers this year who have helped with reading and school visits. We would like even more of you to be able to help out in school so please come to the office and ask to speak with one of the senior leaders in school.

From all at Village Primary Academy, we wish you all a very happy and safe summer holiday. School will re-open on Tuesday 10th September 2019 at 8:45am.

Kind regards, a big thank you and enjoy your precious family time together.

Debbie Beeston

thank you 😊

As is often the case at this time of year, we are saying bye bye and thank you to a few members of staff. Here at Village we are a team

of dedicated and committed professionals and everyone's contribution and hard work adds to our positive team work for the benefit of all of our children.

I would like to thank all of these members of staff on behalf of the academy & the trust and we wish them all the very best for the future.

Bye bye and thank you to;

Liz Taylor

Dilara Hussain - A special mention to Mrs Hussain as she is retiring after over 10 years work and support for so many children and staff. Thank you from the bottom of our hearts for everything that you have done over the years - enjoy your retirement Mrs Hussain

The multiplayer action survival game, Fortnite: Battle Royale, has received a lot of media coverage recently due to growing popularity amongst children – and also emerging safety concerns. The NSPCC has pulled together some information about the game and

how to keep your children safe while playing it.

What features and risks are there on Fortnite?

Fortnite: Battle Royale has several features that can be fun, but there are also risks. These include:

- Players can add friends in the mobile game if they have an account with Epic, the game's developer. Friends can be added by username in the game's main menu.
- There is a chat feature in the game that allows users to contact each other using voice or text. You can disable voice chat in the game by selecting the 3 lines in the top right of the screen, select the settings icon, choose the 'Audio' tab at the top of the screen and go to the 'Voice Chat' option, where you can select 'Off'.
- There is cartoon violence in the game. You can use a variety of weapons to kill other players, such as guns and axes.
- There are in-app purchases, which can become expensive. Players can be reported to the [Player Support team](#) if you are concerned about activity or behaviour.

If you'd like advice and support about keeping your children safe online, call the free O2 NSPCC Online Safety Helpline on 0808 800 5002.

Alternatively, you can make a face-to-face appointment with an O2 Guru in store - you don't even have to be an O2 customer. O2 Gurus can help you set up parental controls, such as privacy settings, on any device.

Finally, you can visit the [online games page](#) to find out more about the risks of online gaming, and how to keep your child safe.
